

Agile Solutions. Compliant Interactions.

## Global Payment Services

Global Service to Compliantly Execute Payment Services to HCPs, Logistics and Service Providers

IMPROVED COMPLIANCE | LOWER TOTAL COST OF OWNERSHIP | EXCELLENT CUSTOMER EXPERIENCE

### INDUSTRY CHALLENGE

HCP interactions with transfer of value activities need to be tightly managed given the unprecedented compliance challenges and reporting requirements Life Sciences companies face. Companies need to assure the payments are made not only in a timely manner but also certifying accuracy and within compliance guidelines, assuring HCP satisfaction and reputation are maintained.

### THE AHM SOLUTION

CentrisServices™ is AHM's market leading, global event and meeting support service organization. AHM provides professional logistical, financial and compliance support to assist in the management of compliant HCP interactions. Global Payment services is one of numerous outsourcing capabilities offered by AHM – all focused in providing peace of mind for our customers with the assurance it is executed in a timely, accurate and compliant manner.

### FEATURES

CentrisServices™ Global Payment Services allows the Life Sciences companies to outsource the critical function of transfer of value payments to HCPs, logistic and service providers. Prior to execution of payments, AHM follows a robust quality protocol of verifying eligibility – including contract, vetting, tiering, payment eligibility and confirmed event attendance prior to payment execution. These checks are done systematically via AHM's CentrisDirect™ compliance platform to eliminate human error as well as assure efficiently executing payments. Offering includes:

- ▶ International Support
- ▶ Invoicing
- ▶ EFT & Check Payment
- ▶ Quality Checks
- ▶ Financial Close & Review
- ▶ Tax Reporting
- ▶ Unclaimed Property/Escheatment
- ▶ Transparency Data Management
